

**Of Interest at Forest 20, April 2021    Number 72**

*Pelargonium Sp. Striatellum*, Omeo Stork's-bill. A yet to be described species laden with the morning dew.

*Banksia marginata*, Silver Banksia. A tree to 12 metres or down to a shrub depending where it is growing.

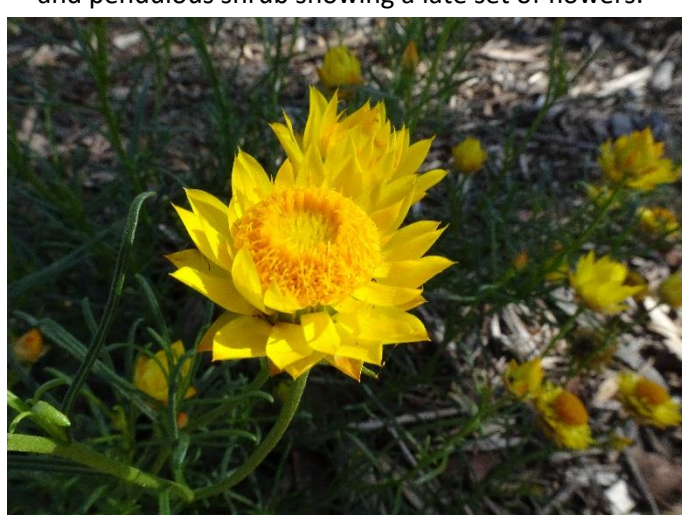

*Daviesia mimosoides*, Narrow-leaved Bitter-pea. An out of season group of flowers of this spring flowerer.

*Callistemon subulatus*, Dwarf Bottlebrush. A compact and pendulous shrub showing a late set of flowers.

*Rytidosperma bipartitum*, Leafy Wallaby Grass. Some late seed heads of this densely growing species.

*Xerochrysum viscosum*, Sticky Everlasting. A hardy local everlasting daisy. Cut back in late winter.

We are building a low rock wall to protect a path edge near the new entrance.

*Macrolepiota dolichaula*, White Parasols. The gills are white to cream on maturity, free from the stem.

*Dichondra repens*, Kidney weed. A ground cover that has appreciated the recent degree of moisture.

We respect the Coronavirus threat, the STEP working bees are being held each Thursday from 8am. Car parking is in the lowest section of the new parking area where you will see a group of cars. Enter by the new concrete ramp. Morning tea is byo and held near our shed. We do our best to respect social distancing.

*Calotis glandulosa*, Mauve Burr-daisy. A perennial burr-daisy with spiny seed capsules.

*Solanum linearifolium*, Mountain Kangaroo Apple. A tall woody shrub that reseeds readily.

*Viola hederacea*, Ivy-leaved Violet. A stoloniferous perennial ground cover that appreciates the wet times
