

**Southern Tablelands Ecosystems  
Park A Regional Botanic Garden for  
the Southern Tablelands at Forest 20  
at the National Arboretum Canberra**

**Of Interest at Forest 20, January 2020 Number 57**

*Eryngium ovinum*, Blue Devil. A small group of these plants have done well despite dry conditions.

*Chrysocephalum apiculatum*, Common Everlasting. A hardy local perennial daisy with various forms.

*Themeda triandra*, Kangaroo Grass. A hardy local perennial grass gracing the welcome to Forest 20 sign.

*Pelargonium australe*, Native Pelargonium. A long-flowering member of the *Geraniaceae* family.

*Banksia marginata*, Silver Banksia. This species varies across its range in south eastern Australia from a 12-metre tree to a shrub.

*Solanum linearifolium*, Mountain Kangaroo Apple. A tall woody shrub that reseeds readily.

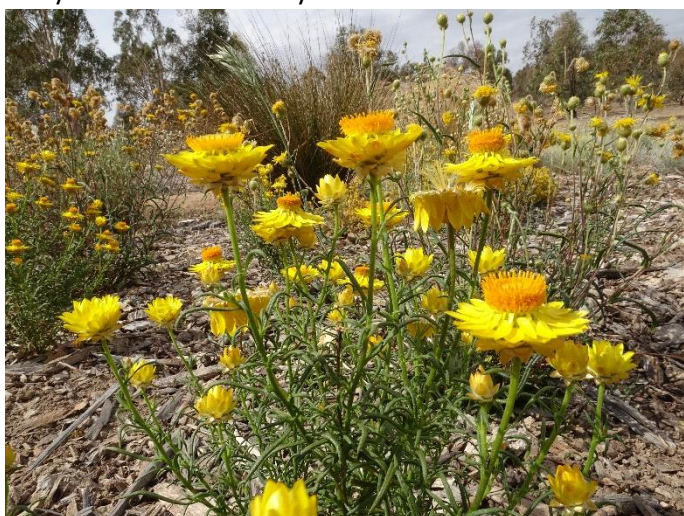

*Ammobium alatum*, Winged Everlasting. A perennial daisy that reseeds readily.

*Calocephalus citreus*, Lemon Beauty-heads. A late flowering member of the daisy family.

*Xerochrysum viscosum*, Sticky Everlasting. A hardy long-flowering local daisy.

*Chrysocephalum semipapposum*, Clustered Everlasting. An attractive perennial daisy, looks good en mass.

*Callitris endlicheri*, Black Cypress Pine. Growing adjacent to the Clearing. Showing the seed capsules.

*Xanthorrhoea glauca*, Southern Grass Tree. Planted in the Bush Tucker Garden, this one is thriving.

Working bees are held every Thursday morning from 8am, feel free to join our friendly group at whatever time you are able. We break for morning tea at 10 am at the table near our shed. An excellent BYO morning tea is guaranteed. Park on grassy overflow car park where a group of cars are seen.

These photos were taken by Andy Russell on Tuesday December the 31<sup>st</sup> 2019. The postal address for STEP is PO Box 440, Jamison Centre, ACT 2614.
