Clematis microphylla, Small-leaved Clematis

Acacia boormanii ? Snowy River Wattle

Close up of Snowy River Wattle

Acacia rubida, Red-stemmed Wattle

Detail of Red-stemmed Wattle

Our working bees are held each Thursday morning from 8am, though later in cold weather, please join our friendly group at whatever time suits you. We break for morning tea at 10 am at the tables near our shed. A scrumptious morning tea is guaranteed. All photos were taken on 28 August this year.
